RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

Applicant hereby responds to the Notice of Non-Compliant Amendment (37 CFR §1.121), mailed February 6, 2006, which objected to the Preliminary Amendment filed on January 28, 2005, for lack of markings in the listed claims to show the changes that were being made upon entry into the US national phase. Attached is a complete listing of claims to replace the claims of record, including the required markings. No new matter is presented.

Applicant requests examination of the claims as amended.

Respectfully submitted,

Date March 2, 2006
